My school, Trinity Christian School, is serving our community this spring in various ways. We are working on giving back to the community and others. Our hope is to make a difference and honor/love our neighbors.

Would you please consider sponsoring me? Your sponsorship will not only help my school, but it will encourage community service.

To make an online donation: Go to www.TrinityChristian.net and choose Donate at the top right corner, then choose Work-A-Thon Donation from the drop down. There is a place for you to indicate I'm the student you are sponsoring.

Or, if you prefer, you can mail donation to: Trinity Christian School, 299 Ridge Avenue, Pittsburgh, PA 15221. Please be sure to put **my name** in the memo. I can earn some great prizes based on the amount of money I raise for my school!

All donations are tax deductible.

Thank you for your support!
